

To UC MSQA Alumnae and Current Students:

We're conducting a brief survey about our program, to get your feedback and help us improve. We would appreciate your completing it as soon as possible; it should take only a few minutes of your time. There are 15 questions, most multiple-choice, and a few with free-form text box responses (you can type directly into the boxes or paste text in from elsewhere). Please click the Next button below to get started, and the Done button when you're finished ... thank you very much -- The UC MSQA Program.

1. When (month/year) did you graduate (or do you expect to graduate if you're a current student) from the MSQA program?

2. What was (were) your UNDERGRADUATE major(s)?

3. If you have (or are now earning) graduate degrees other than the MSQA, what are they in?

4. The MSQA program provides the understanding and skill to apply quantitative modeling techniques to the solution of business problems.
