Course Permission for UC Graduate Student to Enroll in Lindner Classes

The Lindner College of Business allows graduate students in other colleges at the university to request permission to enroll in our courses. This would either be to count toward your current academic program, or to count toward a future Lindner graduate degree. We do encourage you to explore our graduate certificate options (http://business.uc.edu/graduate/certificates.html) to see if any of these would be right for you.

Course permission is subject to space availability, enrollment constraints, department approval, and prerequisites. Permission is not guaranteed. Credit for the same course cannot be applied toward multiple graduate degrees. If you are in an approved dual degree program (i.e. Arts Administration, JD) please contact us for advising instead of filling out this form.

Please fill out the information below, and return this document via email to graduate@uc.edu. This form should be sent from your UC student email account.
